

Active-Sites @ Battery Tech India Expo 2025

📍 Auto Cluster Exhibition Centre, Pune | 📅 March 7–9, 2025

- 🚀 **India's leading platform for battery tech, energy storage, and future mobility — and we were there!**
- 📄 From **smart batteries** to **IoT, recycling, and charging tech**, the expo brought together the **entire battery value chain**.
- 🌐 A **high-energy hub of innovation, policy, and partnerships** — reinforcing **India's role** in the **global battery revolution**.

🔍 What We Uncovered on the Ground / Highlights:

- 📄 **236.2 GWh** of battery storage demand projected in India by **2031–32** — a **7x growth opportunity**.
- 💰 **\$2.1 billion** PLI scheme for **Advanced Chemistry Cell Batteries** is accelerating local manufacturing.
- 📊 **100% of surveyed companies** see the Indian battery market as **positive and full of potential**.
- ⚡ **\$1.1 billion** Viability Gap Funding approved in 2024 for **BESS**.
- ♻️ **Battery recycling** is gaining traction — most players already connected with **active recycling partners**.

⚡ Powering Progress: Our Vision Forward

- 🔗 **Active-Sites empowers global trade through smart compliance.**
- ⚡ India's battery boom highlights needs for **DPP, LCA/PCF, and traceability**.
- 🌱 We're here to bridge **regulatory demands** with **real-world readiness**.
- 🚀 This visit marks our first step in enabling future-ready markets.
- 📄 Our focus is on building lasting partnerships in **high-growth regions**.
