

📅 Active-Sites Consulting @ Batteries Event 2025

Active-Sites Consulting
Connecting markets & Enabling trade

📍 Batteries Event 2025 – Dunkerque, France | 📅 April 1–3, 2025

🚀 Dunkerque emerges as a key EU battery hub with €8.5B+ investment momentum.

📘 Growing awareness of **DPP**, but industry seeks clearer guidance and tools.

♻️ High demand for **LCA, PCF**, and **traceability** support across the **value chain**.

🔍 What We Uncovered on the Ground / Highlights:

📊 **50%** of surveyed companies are still in early **DPP exploration** phase — with only **2 of 6** reporting **active implementation**.

🗂️ **Top challenge: Data availability across the supply chain** — companies struggle to collect and consolidate lifecycle data.

🔗 **Interoperability concerns remain high** — especially for multi-tier and cross-border supplier networks.

💻 **Integration into digital platforms is a rising priority** — companies seek scalable, user-friendly solutions for **DPP & compliance**.

📘 **Growing request for advisory & enablement support** — including training, pilot projects, and system integration help.

⚡ Powering Progress: Our Vision Forward

- 🔗 Enabling **global trade** through **smart, actionable** compliance.
- ⚡ Turning **EU regulations** into **real-world roadmaps**.
- 🌱 Delivering **LCA/PCF & traceability** support where it's needed most.
- 🚀 Driving **digital platform integration** across the **value chain**.
- 📊 Building **long-term partnerships** in **Europe's emerging battery hubs**.
