

📅 Active-Sites Consulting @ Battery Show Asia 2025

📍 Hong Kong (SAR), China | 📅 Jul 15 - 17, 2025

- ⚡ **Solid-state batteries move from lab to line** – early production scaling gains traction across Asia.
- 🌐 **Cross-border energy projects expand** – ASEAN grid initiatives like SunCable take center stage.
- ♻️ **Circularity and DPPs go live** – real-world pilots show traceability turning into competitive edge.

🔍 What We Uncovered on the Ground / Highlights:

- 📊 **Market Pulse** – Southeast Asia is shifting from volume growth to value-driven battery scale-ups, backed by strong policy momentum.
- 💡 **Smart Manufacturing** – AI-powered production lines and digital systems are driving greater efficiency and quality assurance.
- 🔗 **Cross-Border Energy** – Regional projects like SunCable are enabling energy trading and powering BESS growth across ASEAN.
- 🔬 **Tech Breakthroughs** – Solid-state, sodium-ion, and silicon-anode innovations are moving toward early-stage commercial deployment.
- ♻️ **Circularity in Action** – Digital Product Passports and X-as-a-Service models are becoming real-world tools for sustainable scale.

⚡ Powering Progress: Our Vision Forward

- 🔗 We **connect** stakeholders across **Asia's evolving BESS value chains**.
- 🌐 Our mission is to **translate regulation & policies into business opportunity**.
- 🔍 We support **traceability, DPPs, and circular value flows**.
- 🚀 Empowering **tech transitions** from **lab innovation to real-world deployment**.
- 🤝 Building **long-term partnerships** in **emerging tech and sustainability hubs**.
